## EUROPEAN ANSPs: "WORLD ATM CONGRESS WILL BE AN OUTSTANDING EVENT"

**European CANSO CEO Committee (EC3) Members have expressed their enthusiasm for the World ATM Congress in Madrid, 12-14 February 2013.**

As preparations for the event continue on track, CANSO's European Member CEOs have confirmed their intentions to contribute to its success.

Massimo Garbini, Chair of the EC3 and CEO of ENAV S.p.A. said: "Cooperation between airlines, airports and air navigation service providers, as well as increased coordination between regions, is essential for the successful transformation of global ATM performance. World ATM Congress is our opportunity to align industry priorities and initiatives for the benefit of all stakeholders."

EC3 Members attending the CANSO Global ATM Summit & 16<sup>th</sup> AGM, hosted by ENAV S.p.A. in Rome today, reiterated their commitment to exclusively attend World ATM Congress in 2013.

"World ATM Congress will be an outstanding event with first-class speakers and a conference programme which addresses our industry's most important questions. An 18,000m2 exhibition in one hall also gives us an opportunity to continue building fruitful relationships with our suppliers so we can move into a new era of innovation together."

**CANSO** – The Civil Air Navigation Services Organisation – is the global voice of the companies that provide air traffic control, and represents the interests of Air Navigation Services Providers worldwide. CANSO members are responsible for supporting over 85% of world air traffic, and through our Workgroups, members share information and develop new policies, with the ultimate aim of improving air navigation services on the ground and in the air. CANSO also represents its members' views in major regulatory and industry forums, including at ICAO, where we have official Observer status.
