## EXHIBITOR REGISTRATION

In case you have not yet registered for the CANSO Asia Pacific Conference 2016, please process your registration online: [http://www.canso.org/canso-asia-pacific-conference-2016](http://www.canso.org/canso-asia-pacific-conference-2016)

## LIABILITY

Exhibitor shall be fully responsible to pay for any and all damages to property owned by the conference venue, CANSO and/or third parties, its owners or managers which result from any act or mission of Exhibitor.

The exhibition room will be securely locked outside exhibition times. However, neither CANSO or the conference venue will accept responsibility for injury to persons, loss of or damage to products, exhibits, equipment, or decorations, by fire, accident, theft or any other cause while in the building or on the grounds. It is the exhibitor’s responsibility to provide adequate insurance for their personnel, exhibits, and materials.

## SECURITY

All exhibition staff and conference delegates will be required to wear badges while in the exhibition or conference area.

## GENERAL CONDUCT

Any demonstrations must be performed within the exhibitor’s space so as not to interfere with aisle traffic flow. Sampling or demonstration tables must be placed a minimum of 2’ from the aisle line. Should attendees interfere with the normal flow of traffic or overflow into neighboring exhibits, the organiser will have no alternative but to request that presentations or samplings be limited or discontinued.

## SOUND

Due to the limited space for exhibitors noise should be kept to a minimum level. It would be expected that each exhibitor is conscious of their neighbour. The organiser reserves the right to determine at what point sound constitutes interference with others and must be limited or discontinued.
