CANSO brings the world’s air navigation service providers, leading industry innovators and air traffic management specialists together with governments, regulators and key stakeholders to share knowledge, develop best practice and shape the future for secure and seamless airspace.

A truly global network, CANSO is a community of leading innovators, decision-makers, practitioners and suppliers. CANSO represents air navigation service providers and industry innovators across five regions. CANSO events and World ATM Congress attract 8,500 delegates annually from 120 countries. CANSO is also connected to over 20,000 individuals within the industry.

Together the CANSO community promotes collaboration, shares industry intelligence, builds and disseminates best practice and channels innovation in air traffic management.

Whether face to face, online or via print media, CANSO raises awareness of key industry issues, promotes the visibility of new and existing industry players and engages with thousands of individuals from across the aviation industry. CANSO represents the ATM industry to governments and regulators.

CANSO is the perfect platform to grow your business in ATM.
Each year CANSO hosts a number of events throughout the world. Whether you visit the CANSO stand in Madrid during CANSO ATM Week or join one of our more intimate regional conferences, we offer you the possibility to help shape the industry.

By participating in a CANSO event, we offer you the opportunity to raise the profile of your organisation, maximise future revenue and speed up the sales process by meeting with only the key decision-makers from the ANSPs. CANSO events gather international experts at both a global and regional level and offer companies the opportunity to exhibit or sponsor at all our events.

A specialist conference on delivering ATM operational improvements which is open to all industry stakeholders.

Asia Pacific Conference
Bangkok/7–9 June
Hosted in one of the world’s busiest air transport regions this is the one event in the year that unites senior ANSP executives, colleagues and suppliers from across the region.

BE INSPIRED
Take the opportunity to offer new ideas and approaches to common challenges

BE CONNECTED
Take advantage of CANSO events and connect with thousands of delegates
CANSO brings together global leaders from across the aviation industry to discuss the key contemporary issues and projects.

This conference focuses on a rapidly developing region, the diverse challenges and wealth of opportunities.

An event which brings together leading experts in safety and offers an unparalleled insight into policy, best practice and innovation.

This conference offers exciting opportunities for the advance and development of ATM.

BE INNOVATIVE
Showcase how your technology can help the industry

BE HEARD
Participate and help shape an industry
Airspace is CANSO’s global magazine for ATM and its key players. Published quarterly, it is written by industry experts and features interviews with top managers and thought-leaders. It explores important ATM issues with regard to safety, operations, policy and technology and provides readers with unparalleled insight into the latest issues and developments and in-depth analysis.

Airspace is read in over 100 countries four times a year by around 6,500 of the world’s leading ATM professionals. It is available to Members and non-member across the global industry via online and postal subscription and is distributed at all global CANSO events and through a network of related aviation associations and organisations.

Readership

The CANSO website is a top online platform and leading information resource for ATM. From member and event updates, to the latest policies and safety issues, the website is a constant flow of information with easy to download publications and programmes.

The CANSO website is a fantastic online channel to promote your company. CANSO offers Members digital advertising packages to suit all budgets and encourages you to get in touch to discuss options.

Make your voice heard and reach out to new audiences with webinars

CANSO will now offer a number of webinars on a range of topics that allow Members to share expert advice and knowledge to a diverse group of professionals in the aviation industry with content that is informative, stimulating and educational. CANSO Members are invited to utilise this platform to host their own webinars, offering the opportunity to showcase expertise, educate the market, engage with the industry and grow contact and business leads.
Email Advertising

Airspace Email
Airspace, our quarterly magazine, is published in both hard copy and electronically. Each quarter CANSO emails over 6,500 subscribers to inform them about the next issue. As an advertiser, your banner could appear at the top of these email alerts. The first is sent a week before publication, with previews and a content update, and the second is sent a week later, coinciding with publication. This is a fantastic way to ensure your branding is seen by the key decision-makers directly in their inbox.

ATM News
ATM News is our weekly digital newsletter which is emailed to over 8,000 subscribers from over 120 countries. Based on news from CANSO and CANSO Members, it provides ATM industry intelligence on key developments, including; projects, technology, programmes and partnership updates. Issued to a broad selection of individuals from across the industry, this is the perfect place to raise the profile of your organisation to potential customers and peers.
