Terms and Conditions

CANSO Trial Membership runs for a period of six months and allows your organisation to experience the benefits of being a Member of CANSO. The Trial Membership benefits are:

- One free registration at a CANSO conference of the Trial Member's choice, during the trial period
- Free subscription to digital CANSO media (ATM News, Airspace magazine)
- 20% discount on all advertising in CANSO media during the trial period
- Opportunities to sponsor and/or exhibit at a CANSO event of the Trial Member's choice during the trial period.
- Observer access to one selected CANSO workgroup (open to Associate Members)

Trial Membership benefits are very similar to the Silver Associate membership but the Trial Membership does not include access to the Global ATM-Net (CANSO's extranet) and this membership is not renewable after the six month period.
